One final edit...it should say South and Southeast LA at the end of the first paragraph.

HI Emily, couple edits and we're all set. It should be Wed June 21. We should add the two May open house dates under "Join the Conversation". Please refresh the photo sim with one from one of the boards that is listed on the flyer. If you could send us the final version, English and Spanish, we can distribute as well.

Thanks for the update. We can easily use a different photosim on the flyer.

Sorry for the delay on approving the flyer. I have one last check (with CD 8) in a bit so I'll have an answer by 3 today. The one comment that's been made is that a new photo would help distinguish this flyer from the prior flyers.

Hi Darin,

Happy to chat over phone if you need details beyond the following.

- * Format will be the same as the community meetings except a hearing officer from the Dept of City Planning will be joining us to take public comment as part of the public record
- * this is a follow up public hearing to a series of community meetings held in South LA
- * please pull the crash info from the boards (x people have died, etc). "on these 4 corridors, x number of people have died as a result of a traffic collision"
- * DOT is proposing a number of traffic safety improvements to address the factors causing deaths and serious injuries
- * using the community input provided, the city is proposing the following lane reconfigurations as part of those comprehensive traffic safety improvements in South LA
- * translation services will also be provided
